

Bran Van 3000, Supermodel

Oh, look at all this comp'ny comin' 'round tonight
Even Catherine O'Hara's coming by to say hello
You really wanna know?
Well, I tell ya, I'll have to pour myself another little moonshine
Here we go

Was a sweet and frosty May
In the town of Thunder Bay
One day I went the day when I was sweet brush sleep
Found a weepin' willow sit down to the Thunder Bay a-go-go
Oh, the wind was real soft
Poor little wind just having a break

Later on that month they all went for pepper brunch
at the We're All in This Together Diner
