Brand New, Millstone

I used to be such a burning example
I used to be so original
I used to care I was being cared for
And made sure I showed it to those that I love
I used to sleep without a single stir
Cause I was about my father's work

Take me out tonight
The ship of fools I'm on will sink
I'm my own stone around my neck
Be my breath, there's nothing I wouldn't give

I used to pray like God was listening
I used to make my parents proud
I was the glue that kept my friends together
Now they don't talk and we don't go out

I used to know the name of every person I kissed
Now I made this bed and I can't fall asleep in it

Take me out tonight
The ship of fools I'm on will sink
I'm my own stone around my neck
Be my breath, there's nothing I wouldn't give

Throw me that lifeline
The ship of fools I'm on will sink
I'm my own stone around my neck
Be my breath, there's nothing I wouldn't give

Never hit the breaks
There's no time to save him
He's run out in the street
Anybody know his name?
I think I recognize him
He sure as hell paid for that mistake

Woah

So take me out tonight
The ship of fools I'm on will sink
I'm my own stone around my neck
Be my breath, there's nothing I wouldn't give

To save my life tonight
The ship of fools I'm on will sink
I'm my own stone around my neck
Be my breath, there's nothing I wouldn't give
