

Brand New, Oh Comely

[Originally by Neutral Milk Hotel]

[Performed by Jesse Lacey]

Oh comely

I will be with you when you lose your breath
Chasing the only meaningful memory you thought you had left
With some pretty bright and bubbly terrible scene
That was doing her thing on your chest

But oh comely

It isn't as pretty as you'd like to guess
In your memory you're drunk on your awe to me
It doesn't mean anything at all

Oh comely

All of your friends are all letting you blow
Bristling and ugly
Bursting with fruits falling out from the holes
Of some pretty bright and bubbly friend
You could need to say comforting things in your ear
But oh comely

There isn't such one friend that you could find here
Standing next to me

He's only my enemy

I'll crush him with everything I own

Say what you want to say

Hang for your hollow ways

Moving your mouth to pull out all your miracles aimed for me

Your father made fetuses

With flesh licking ladies

While you and your mother

Were asleep in the trailer park

Thunderous sparks from the dark of the stadiums

The music and medicine you needed for comforting

So make all your fat fleshy fingers to moving

And pluck all your silly strings

And bend all your notes for me

Soft silly music is meaningful magical

The movements were beautiful

All in your ovaries

All of them milking with green fleshy flowers

While powerful pistons were sugary sweet machines

Smelling of semen all under the garden

Was all you were needing when you still believed in me

Say what your want to say

Hang for your hollow ways

Moving your mouth to pull out all your miracles aimed for me

And I know they buried her body with others

Her sister and mother and 500 families

And will she remember me 50 years later

I wished I could save her in some sort of time machine

Know all your enemies

We know who our enemies are

Goldaline my dear

We will fold and freeze together

Far away from here

There is sun and spring and green forever

But now we move to feel

For ourselves inside some stranger's stomach

Place your body here

Let your skin begin to blend itself with mine
