

Brand New Sin, Another Reason

Go on
Living
On the edge
Unforgiving
Hold on
Living
Things i've done
Always preaching

Stand tall
Saving
Saving face for my own being
This time It's changing
Changing fate
You're the one that's obeying

Always another
Another reason to drag me under
Always another
Another reason to drag you under

Will you
Ever
Take the time
To discover
That I
Will never
Bow down

Go on
Living this way
