

Brand New Sin, Changes

(Verse 1)

A pain inside, that's hard to hide
A sickness that just, hits your pride
All the scenes, they seem so real
I don't know what to, think or feel

(Chorus)

How could this happen?
How could this be?
It's time to take a look inside of me
To see what's right
To see what's wrong
To make a change
And becoming strong

(Verse 2)

The pain and anguish, that I have felt
Makes me wonder, what hand I have been dealt, yeah
No one in this world has felt my pain
A million tears, they fall like rain

-Chorus

(Bridge)

All the tears I've cried
A swallowing pain inside
All will become, a distant memory
When all is said and done
I'll be the only one
And no one will be, stronger than...me!

-Solo

-Chorus
