

Brand New Sin, Desperate Times Desperate Means

(Verse 1)

Fits of rage

Fits of fury

What's the consequences?

Who's the jury?

Why did you bring that out in me?

Don't you know or, couldn't you see?

(Verse 2)

Time to run

Time to hide

You're just an ignorant punk

Who ain't got no pride

Why did you think you could destroy me?

Desperate times, calls for desperate means

(Chorus)

It may be wrong

It may be right

Whatever it is, whatever it takes

Was it worth a fight?

- Verse 2

- Chorus

Why did you think you could destroy me?

Desperate times, calls for desperate means

- Solo

- Chorus 2x

Worth a fight?

Worth a fight?

Whatever it takes
