

Brand New Sin, Sad Wings

My Tattoo'd arms
They scored a time
Of my history's past
And that hill i climbed
Here i am in a tunnel and painted images can break them up

My eyes are blind to lies you told me hidden scars you thought they'd hold me leave m helpless an

Burnt and blistered
I walked a fire
These red hot coals
leave me old and tired
here i am in the dark and peices of you still in my blood

My eyes are blind to lies you told me hidden scars you thought they'd hold me leave m helpless an
