

Brand New Sin, The Oath

(Chorus)

Why I ask?

Was it worth it?

All part of your plan?

Get what you wanted?

(Verse 1)

Just a day

Like all the others

Warmth was gone

And fall was here

(Pre-Chorus)

Is this true?

Am I dreaming?

Was this right?

Now I'm screaming

-Chorus

(Verse 2)

Gone from Earth

And onto Heaven

I doubt it all

Will be forgiven

-Pre-Chorus

-Chorus

-Solo
