

# Brandi Carlile, Downpour

I'm like the rain in a downpour  
I wash away what you long for  
And I wave goodbye with the sun in my eyes  
I wish I could be there tonight

I'm like the wind in the canyon  
I'm there then I'm gone in a second  
You're growing older in peace where you're at  
I wish I could be there for that  
But I've moved on  
Like a rolling stone  
In a crowded room  
I'm alone

I'm like the rain in a downpour  
I wash away what you long for  
And I wave goodbye with the sun in my eyes  
I wish I could be there tonight  
Oh, oh, yeah

You're like the tide in the deep blue  
Cause you're always there when I need you  
And when you need someone to carry you through  
I'm gonna be there for you  
I'm gonna be there for you
