

# Brandi Carlile, Happy

I don't hang around that place no more  
I'm tired of wearing circles in the floor  
And I don't carry myself very well  
I've gotten so much braver, can you tell

I'm happy, can't you see  
I'm alright, but I miss you, Amber Lee

And I line my secrets up all one by one  
I put 'em all away when I was done  
And I would really love to hear your voice sometime  
To close a little distance in my mind

I'm happy, can't you see  
I'm alright, but I miss you, Amber Lee

I believe

Where have you been all these years  
How could you just disappear  
And when did you stop missing me

I'm happy, can't you see  
I'm alright, but I miss you, Amber Lee  
I'm alright, but I miss you, Amber Lee
