

Brandi Carlile, How These Days Grow Long

I left home a long long time ago
In a tin can for the road with a suit case and some songs
Crossing miles through the night time making tracks
With no time for looking back to the place where I belong

How these days grow long
But Im on my way back home
Its been hard to be away
How I miss you and I just want to kiss you
And Im going to love you till my dying day
How these days grow long

When youre sad
You know I wish I could be there
To make your sorrows disappear
And set your troubles free
Its not fair
For me to be this far from you
But I promise to stay true
Wherever I might be

Time keeps burning
The wheels keep on turning
Sometimes I feel Im wasting my days
How I miss you and I just want to kiss you
And Im going to love you till my dying day
How these days grow long
Time keeps burning on
How these days grow long

Now Im lost in a sea of sunken dreams
While the sound of drunken screams
Echo through the night
But I know all of this will come to pass
And Ill be with you at last
Forever by your side

How these days grow long
But Im on my way back home
Its been hard to be away
How I miss you and I just want to kiss you
And Im going to love you till my dying day

Time keeps burning
The wheels keep on turning
Sometimes I feel Im wasting my days
How I miss you and I just want to kiss you
And Im going to love you till my dying day
How these days grow long
Time keeps burning on
How these days grow long
