

Brandon Hines, When A Girl Cries

[Verse 1:]

Are You Afraid To Love Her?

(When you come on home and sit quietly in the dark)

You Woke Up in bed with another

(you looked all right and you constantly played with her heart)

Your never there to hold her

(She lays alone and pleases herself at night)

Why Cant You See Shes Urning For Your Attention But You Rather Make Her Cry

[Bridge:]

It Wont Be To Long Before She Cries Out all her Tears

Then you will be all alone

[Chorus:]

Cuz When A Girl Cries

Her Tears Never Lie

Maybe She Wants You Outta Her Life

Or Maybe She Hides What She Feels Inside

It Hurts So Bad She Feels Like She Could Die

Why When A Girl Cries If Theres A Smile

Maybe She Wants You To Stay In Her Life

Cuz When A Girl Cries You Must Decide Are You Really Treating Her Right? O When A Girl Cries

[Verse 2:]

Are You Afraid Of One Love?

(You Keep Plenty Around But They Dont Mean Nothing No)

Shes Missing Your Love And Affection

(Staying Nights On The Town With Some Help From The Other Homes)

OO Nikka What You Be Thinking

(You Know She Holds You Down)

Why Arent You Willing To Make It Last

Its A Major Mistake You Making

(You Know Shes The One)

But Your Ganna Let Her Pass

[Bridge:]

It Wont Be To Long Before She Cries Out all her Tears

Then you will be all alone

[Chorus]

She Might Be The Most Important Part Of Your Life But You Cant Even See It Cuz You Aint Treatin
