

Brandon Kane, No Good In Goodbye

Ay Yo

Its bout time we take this down south

ATL

Ay Yo

Talk to em

Can somebody tell me

Tell me where did we go wrong

I jus cant seem to remember

Howd we go from happy

Suddenly to moving on

Didn't you promise me forever (forever)

I know we both might of made mistakes

Don't say that it's too late

If we're both wiling to make a change

There's only one thing left to do

We gotta look on the brighter side

Give it a chance we can make it right

I wanna try

Cuz there's no good in goodbye

And you know tomorrows a sunny day

As long as you promise you're gonna stay

By my side

Cuz there's no good in goodbye

There ain't no forgetting

All the little dreams we shared

They'll come through if we're together

We can start all over

Ending up would be unfair

It's the only time we'll make things better

I know it

I know we both might of made mistakes

Don't say that it's too late

If we're both willing to make a change

There's only one thing we can do

We gotta look on the brighter side

Give it a chance we can make it right

I wanna try

Cause there's no good in goodbye

And you know tomorrow's a sunny day

As long as you promise you're gonna stay

By my side

Cause there's no good in goodbye

Can you

Hear me

Cryin

Out don't leave

Without you I don't know where I would be

And I'm hoping we can work this out some how

We deserve a second time around

That's why there's no good in goodbye

Ooooohhhh yeaaa

I'm sayin

Ooooohhhh yea

We gotta look on the brighter

Give it a chance we an make it right (ooooohhhh yea)

I wanna try (I wanna try)

Cuz there's no good in goodbye (How many times do we have to say)

And you know tomorrow's a sunny day (how many games do we have to play)

As long as you promise you're gonna stay (I gotta let you know)

Bye my side (ooooh yea yea)

Cause there's no good in goodbye

We gotta look on the brighter side (Oh!)

Give it a chace we can make it right(Make it right!)

I wanna try(I wanna try)

Cuz there's no good in goodbye
