

Brandon Kane, True Love

Yeah ohh searching for someone like you ohh

[Chorus:]

This things is forever babe I'll never leave you babe don't wanna see us together

You gotta stick with me my life won't be the same I think I might so crazy (this real things is true love)

[Verse 1:]

(Baby) let me tell what I feeling for you it's feeling I'm trying not here what they say

'cause your girlfriends hate it and the whole boys want cha, true love can't face it way you do

Ohh at shcool when I see ya they wishen they can be us so rumors staring flying deny 'em

Can't nobody not my momma daddy teacher friends or preacher can convince me that I don't need

[Chorus:]

This things is forever babe I'll never leave you babe don't wanna see us together

You gotta stick with me my life won't be the same I think I might so crazy (this real things is true love)

[Verse 2:]

I'm slowly walking down the hallway from faraway I see you coming my way make them haters sorry

That they ever spoke about our love made a joke about our love and take notes about our love

Ohh I'm young and your young to but girl I'm so stuck on you let nobody break us up I do what I go

Write a letter to your momma long talk with your daddy you ask I'll do it galdly.

[Chorus x2]

[Talking: Brandon Kane]

Hey young girl

This is true love

I Don't care what my momma or daddy teachers friends or preaches say

Your the only one for me

I know we're still yound but this love is still true

I love you girl

[Chorus:]

This things is forever babe I'll never leave you babe don't wanna see us together

You gotta stick with me my life won't be the same I think I might so crazy (this real things is true love)
