

Brandon Kane, We Be The Ones

[Intro:]

I wana dance
I wana dance with you baby
Come on
We be the ones to rock

[verse 1:]

Chillin at the crib alone
home on a friday night
call my boys up on the phone
got something on my mind
I tell them to get dressed
make sure they looking fly
cause im tired of staying in
so tonight we're gonna ride
(we find the hottest spot that
we can find chill out for a lil while)
Tonight im gonna have a good time
Baby I aint tryna look for love
But sure is looking good
then you know what's up
Oh!!

[Chorus:]

We be the ones to rock the party
We be the ones to keep it live
We be the ones to get it started
keep it poppin all night
We be the ones to rock your world
We got rooms and things for you girl
We be the ones to do you right
We gone do this tonight
(rollin up)

[verse 2:]

Say we rollin up at the spot
and we step out on the scene
Cause everybody is watching us
and it's time to do our thang
looking out from head to toe
Sean Johns and Air Force Ones
Still one thing on my mind
and that's to have a little fun

[bridge:]

(we find the hottest spots that we can find
and party a little while)
Tonight im gonna have a good time
and you know we aint tryna look for love
but it sure is looking good
you already know what's up
OH!!

[Chorus:]

We be the ones to rock the party
We be the ones to keep it live
We be the ones to get it started
keep it poppin all night
We be the ones to rock your world
We got the rooms and things for you girl
We be the ones to do you right
We gone do this tonight

[Verse 3 (breakdown):]

How are you gonna act like you (how you gonna act)
don't feel it
like you don't feel it to(feel it to)
will you dance on with me
dance on with me
I wana dance with you(with you)

Wana tell me what you wanna do
or what you gonna do
Let me know!!!

[bridge:]

Cause we're gonna party
we find the hottest spots(hottest spot)that we can find
and party a little while

Tonight im gonna have a good time
and you know we aint tryna look for love
but it sure is looking good
I know you know what's up

OH!!

[Chorus:]

We be the ones to rock the party
We be the ones to keep it live
We be the ones to get it started
keep it poppin all night
We be the ones to rock your world
We got the rooms and things for you girl
We be the ones to do you right
We gone do this tonight
