

# Brandtson, In A Word

i wonder if it's safe  
it's no wonder i'm afraid  
and i wonder if you'll stay  
i wonder everyday  
you're wonderful  
you're wonderful  
and i'm left here in awe  
you're wonderful  
you're wonderful  
and i'm nothing at all  
i wonder if you're real  
do you wonder why you're here?  
theres no other way to feel  
you're wonderful to me
