

Brandtson, Potential Getaway Driver

hasn't it been an interesting year?
I'm sitting here
I watch the walls watch back
and I can't seem to let this one go
'cause you know it was gonna be
mine to shine

I'm right back where I started again
and I'm wondering
how I got to where I've been
full circle never felt so good
and I knew it would, because I've
been lied to all this time

(CHORUS)

it's times like this when everything goes black and white
that there's so much more that I want to say
but I can't, and you know it's all right

hasn't it been a difficult year?
I'm still sitting here
and that's a lot, to say the least
it's so good to know you still care
it's so good to know you're there
good to know you're there

(CHORUS)
