

Brandy, 2nd thought

Ain't it funny how,
Ain't it funny how things always come right back around.
How the tables turn
With the little time what once was up
Will soon be down.
Got me thinking 'bout,
What it was in me to think that you were oh so great.
Had me sittin 'round,
Tryna figure out what you thought was so wrong with me.

[Hook:]

You treated me like I wasn't nothing
Thought you were something.
You made it seem like Rocka
Wasn't that thing.
Now you calling, knockin and
I was thinking,
You almost had me for a minute
But I...

Chorus:]

On second thought I'm alright
Don't hate me cause I've changed
My mind.

I thought that I wasn't working
Now look who's hurting
And that chance has given me *yours
On second thought don't drop by
It could be a waste of time.
Remember you wasn't diggin it
Now you so into it.

On second thought I'll say goodbye.
Bye bye bye, goodbye bye bye
Goodbye bye bye [Repeat]

If back then was now,
Probably would've said Thank you Lord for sending him to me.
But I found out,
That it was better to be hurt back then cause now it strengthens me.
So now when you bounce
It was because I put you out, not you just leaving me.
And now back around oh
Is it because I was *ducking and you still struggling?

[Hook:]

You treated me like I wasn't nothing
Thought you were something.
Made it seem like Rocka
Wasn't that thing.
Now you calling, knockin and
I was thinking,
You almost had me fooled for a minute

[Chorus:]

On second thought I'm alright
Don't hate me cause I've changed
My mind.

I thought that I wasn't working
Now look who's hurting
And that chance has given me *yours
On second thought don't drop by
It could be a waste of time.
Remember you wasn't diggin it
Now you so into it.

On second thought I'll say goodbye.
Let you back into (my life)

I would never turn back the hands of time
Some things are meant to just fade away
There's no way you

Could ever change
Everything you've done wouldn't matter to me
Cause I moved on
Now I'm glad see something better
And not you so oh
[Chorus:]
On second thought I'm alright without you
Don't hate me cause I've changed
My mind.
I thought that I wasn't working
Now look who's hurting
And that chance has given me *yours
On second thought don't drop by
It could be a waste of time.
I guess I'll say goodbye love say goodbye
It didn't have to be this way but,
Could've had me anyway but
You chose to do it
Don't know what made you do it
Now ya hurting without me.
Shouldn't have done me wrong before
Now I don't need you no more
