Im feeling such a vacancy, I dont feel whole (oh oh)
Wish I can put my finger on it but I dont know what it is
(I) looked in every place I could see
Tryin to find the missing part of me
I cant explain this feeling (feeling)
(Du du du) Feels like Im on a long journey going in circles
And I aint even going nowhere
Im lost in the middle of nowhere
Something is missing
Cant somebody help me?
Something is missing
Im missing a part of me
Something is missing
Show me what it is
Show me whats missing yeaah
Missing
Im in a dark room in a bad position
Im looking for the light to restore my vision (vision)
Cause Im walking blind, I keep falling down
I cant find my way (cant find my way)
I cant explain this feeling
(Du du du) Feels like Im on a long journey going in circles
And I aint even going nowhere
Im lost in the middle of nowhere
Something is missing
Cant somebody help me?
Something is missing
Im missing a part of me
Something is missing
Show me what it is
Show me whats missing
Missing
Feels like Im leaving something behind
Cant think straight, somethings on my mind
Cant pay attention, cuz Im all so broke
Cant find the words, cuz they all been spoke
The answers gonna be right in my face
What I gotta do to fill this empty space? whoaaaaaa
Feels like Im on a long journey going in circles (circles)
And I aint even going nowhere
Im lost in the middle of nowhere
Something is missing
Cant somebody help me?
Something is missing
Im missing a part of me
