

# Brandy, A Capella (Something's Missing)

Boom, clap! [6x]

Clap!

[Verse 1:]

I'm feeling such a vacancy, I don't feel whole (oh oh)  
Wish I could put my finger on it but I don't know what it is  
I looked in every place I could seek  
Tried to find the missing part of me  
I can't explain this feeling (feeling)

[Chorus:]

Feels like I'm on the wrong journey going in circles  
And I ain't even going nowhere  
I'm lost in the middle of nowhere  
Something is missing  
Can't somebody help me?  
Something is missing  
I'm missing a part of me  
Something is missing  
Show me what it is  
Show me what's missing  
Missing

Ooh ooh ooh ooh

Boom, clap! [4x]

Clap!

[Verse 2:]

I'm in the dark room in a bad position  
I'm looking for the light to restore my vision (vision)  
'Cause I'm walking down looking for a door, I can't find my way  
I can't explain this feeling

[Chorus]

[Bridge:]

Feels like I'm leaving something behind  
Can't think straight, something's on my mind  
Can't pretend to 'cause I'm all so broke  
Can't find the words 'cause they've all been spoke  
The answer's gonna be right in my face, oh oh  
What I'm gonna do to fill this empty space, oh oh oh

[Chorus (2x)]
