

Brandy, Escape

I'm looking
For salvation
A place
Where I can find peace
I don't know
So I turn to you
So many complications
Oh

Everyday is something
I'm so confused

Chorus:

Escape from my mind
Escape from my life
Escape anywhere
Escape far away
From here

I'm losing
All my patience
It's so hard
To resist it
You don't know
What I'm
Going through
No more hesitation
Some things
Are so enticing

I know
What I have to do
Half the time
I can't live
My own life
Truth be told
I am fading away
How can I walk
Where I fit in?
So unsure
What am
I going to do?

(Chorus)

Sometimes
I need seclusion
From here
There's a place
Inside me
Holding me down
I need

To find a place
Where no one else is
Far away
From everything
That I know

(Chorus)

(Escape) (8x)
