

Brandy, Escape

I'm looking
For salvation
A place
Where I can find peace
I don't know
So I turn to you
So many complications
Oh

Everyday is something
I'm so confused

Chorus:

Escape from my mind
Escape from my life
Escape anywhere
Escape far away

From here

I'm losing
All my patience

It's so hard

To resist it

You don't know

What I'm

Going through

No more hesitation

Some things

Are so enticing

I know

What I have to do

Half the time

I can't live

My own life

Truth be told

I am fading away

How can I walk

Where I fit in?

So unsure

What am

I going to do?

(Chorus)

Sometimes

I need seclusion

From here

There's a place

Inside me

Holding me down

I need

To find a place

Where no one else is

Far away

From everything

That I know

(Chorus)

(Escape) (8x)
