[Chorus]

Prince charming, my angel
My king and my friend
My lover, my one
He is, he is
The beat in my heart
The kiss on my lips
My lover, my one
He is, he is

[Verse 2]

They could take away the money

And I'm so glad you want to be my

[Chorus]

[Bridge]

My sun, my shine
My love, my Life
He is everything
I gotta love you like no one has ever loved before
I gotta give you what you gave baby so much more
I wanna take it fast, but I want to take it slow
Addicted to your love and I can't let go

[Chorus out]
