

Brandy, I Tried

[First Verse]

Im sittin' home on a cold day
Underneath the covers like a little baby
Think I wanna hear some Coldplay
Especially that song when the man says

[Bridge]

'Did I drive you away?'
I know what youll say
Oh I know
I know all about your ways
What you do
When youre gone
And I knew
All along
And they say people change
So I, tried to look the other way

[Chorus x2]

I tried to be blind to your game
deep down I knew you wouldn't stay around
Shoulda left your side in the first place
But I thought Id be cool

[Second Verse]

All I can see is yo-ur face
Givin my lovin away at some womans place
Maybe I should get up and go wash my face
Cryin never kept you at home anyway

[Bridge]

Did I drive you away? (No I didnt but you said it)
I know what youll say
Oh I know
I know all about your ways
What you do
When youre gone
And I knew
All along
And they say people change
So I, tried to look the other way

[Chorus]

I tried to be blind to your game (Tried to be blind, yeah)
Deep down I knew [Deep down I knew, inside oh]
Shoulda left your side in the first place
But I thought Id be cool

[Chorus]

I tried to be blind to your game (I tried to be blind)
Deep down I knew (but I knew it, oh oh oh oh)
Shoulda left your side in the first place
But I thought Id be cool

[Bridge 2]

I noticed it
The calls you get
And the rooms and shit
And I knew
You had a bitch
I hated it
Thats what I get

[Chorus out]
