

Brandy, I Wanna Fall In Love

I am missing something in my life
And I'm trying to find what is already deep inside
Now for a while I've thought the love inside me needs
A mirrored personality that's why I'm searching

All I ever wanted was somebody to love me
Close to my heart
Able to give a piece of myself
I wanna fall in love
All I ever wanted was somebody to know me inside and out
All of my feelings
What I'm about
I wanna fall in love

La la la la
La la la
La la la
La la la la
La la la
La la la

No matter what people say
I wanna fall in love
And offer what's inside of me
I wanna give a piece of me
But never lose a thing
Because of what he gives me
I wanna fall in love

All I ever wanted was somebody to love me
Close to my heart
Able to give a piece of myself
I wanna fall in love
All I ever wanted was somebody to know me inside and out
All of my feelings
What I'm about
I wanna fall in love

La la la la
La la la
La la la
La la la la
La la la
La la la
(All I ever wanted was)

All I ever wanted was somebody to love me
Close to my heart
Able to give a piece of myself
I wanna fall in love
All I ever wanted was somebody to know me inside and out
All of my feelings
What I'm about
I wanna fall in love

All I ever wanted was somebody to love me
Close to my heart
Able to give a piece of myself
I wanna fall in love
All I ever wanted was somebody to know me inside and out
All of my feelings
What I'm about
I wanna fall in love

All I ever wanted was somebody to love me
Close to my heart
Able to give a piece of myself
I wanna fall in love
All I ever wanted was somebody to know me inside and out
All of my feelings
What I'm about
I wanna fall in love

I wanna fall in love...

(SPOKEN)

Hey
Hey, maybe I should do that again
I don't know if I did it right
I think I can do it better

I wanna, I, I wanna
I wanna fall in love
I, I wanna, I, I wanna
I wanna fall in love
I wanna, I wanna, I, I
I wanna fall in love
I wanna, I, I wanna, I, I
I wanna fall in love

All I ever wanted was somebody to love me
Close to my heart
Able to give a piece of myself
I wanna fall in love
All I ever wanted was somebody to know me inside and out
All of my feelings
What I'm about
I wanna fall in love
