

# Brandy, Missing You

(feat. Chaka Kahn)

[Chorus:]

Though I'm missing you (although I'm missing you). I find a way to get through  
(I find a way), living without you, cause you were my sister, my strength and my pride  
only God may know why, still I will get by.

[Brandy:]

Who would've known that you had to go. So suddenly, so fast. How could be, that a sweet  
memory would be all, all we had to make. And

[Tamia:]

Now that you're gone everyday I go on (I go on) but life just not the same (life's just not that same)  
I'm so empty inside and my tears I can't hide, but I'll try, I try to face the pain. Though I'm missing y

[Chorus]

[Gladys Knight:]

Oh, that's so many things that we could have shared, if time was on our side (times were on our side)  
Oo yeah, and now that you're gone, I can still feel you near, (you near) but I'll smile with every tear

[Chorus]

How sweet were the losses to spare? But I'll wait for the day, when I'll see you again (see you again)

[Chorus: out]

I'm missing you
