And now a few years later lovin u it's so hard 2 explain, how we got 2 where are...

[Chorus:]

How u do that?  
How did u get me so open  
Lately u been  
Got me fiendiin got me choosin  
Over kisses, there so rich and chocolate coated melt like reese's,  
Close to heaven as I'm gone get

[Verse 2:]

Every time the phone rings  
I rush to answer hoping that it's u  
And every time I hear a car pull up I want it to be u  
I don't know what's better, kissin u or simply holdin hands.  
The fact that we're together is not by chance or any circumstance...
