

Brandy, Put It Down (feat. Chris Brown)

I'mma put it down, you can fall in love
I'mma put it down, you can fall in love
I'mma put it down, you can fall in love
I'mma put it down, you can fall in love
I'mma put it down, you can fall in love
I'mma put it down, you can fall in love
I'mma put it, I'mma put it, I'mma put it...
I'mma put it down...

If you put it down right like the way I want it
Play it 'cause we, maybe we can fall in love
If you put it, put it, if you put it down
If you put it, put it, maybe we can fall in love

I'mma put it down, you can fall in love
I'mma put it down, you can fall in love

If you put it, put it, maybe we can fall in love

I'mma put it down, you can fall in love
I'mma put it down, you can fall in love

If you put it, put it, maybe we can fall in love

[Brandy:]

Ooh way too talk game, it's so tough
Damn I love it all
Even the way you flex
That's what turn me
Ooh you know you make me weak
Just cause the way you are
Cause everybody in it know you're a star
But still i'm letting you know
I got the sweetest high
Any man that wants it babe
He gon' have to work hard
From what I see, you got what I want
That's just half the part
Gotta see what you put on it
To make sure you're the one

If you put it down right like the way I want it
Play it 'cause we, maybe we can fall in love
If you put it, put it, if you put it down
If you put it, put it, maybe we can fall in love

I'mma put it down, you can fall in love
I'mma put it down, you can fall in love

If you put it, put it, maybe we can fall in love

I'mma put it down, you can fall in love
I'mma put it down, you can fall in love

If you put it, put it, maybe we can fall in love

[Brandy:]

I hope the shivery ain't dead to you boy cause i'm grown
Gotta pull up, and then come up with that when I see what I want
Gotta go old school women sometimes
Still keep it soul, twenty twelve for me
But I still beef it all
And that I still I want you to know
Got the sweetest high

And even though he can body cool for me
He gon' have to work hard
And now I see, you got what I want
That's just half the part
I gotta feel what you put on it
To make sure you're the one

If you put it down right like the way I want it
Play it 'cause we, maybe we can fall in love
If you put it, put it, if you put it down
If you put it, put it, maybe we can fall in love

I'mma put it down, you can fall in love
I'mma put it down, you can fall in love

If you put it down right, maybe we can fall in love

I'mma put it down, you can fall in love
I'mma put it down, you can fall in love

If you put it down right, maybe we can fall in love

[Chris Brown:]

Ain't nobody put it down like me though
Why are you playing? girl you know
With all this money, and all your cake
Girl you better stop, I got a big ego
I'm sipping on that brandy
That liquour comes in handy
And girl I know you fancy
But this party i'm financing
It's so me, it ain't even like that
The way you hating all night
A friend uptight, all right
(so put it down)
I took her at the club
Told the girl she'd be right back
Back to the crib
And in the morning all this is worth it
Baby go get your hair did
And buy you a couple purses

You, you, you, can be the one I go
When having a bad day
And I need a shoulder to cry
Teach me how to let the guard down
Ain't gone bad, it's been tough
Past the one I had
Was the answer to my prayers
Come on out and he want the truth
And I got you, tryna tell me

I'mma put it down, you can fall in love

If you put it down right like the way I want it
Play it 'cause we, maybe we can fall in love
If you put it, put it, put it, if you put it, put it
If you put it, put it, maybe we can fall in love

I'mma put it down, you can fall in love
I'mma put it down, you can fall in love

If you put it, put it, maybe we can fall in love

I'mma put it down, you can fall in love

I'mma put it down, you can fall in love

If you put it, put it, maybe we can fall in love

If you put it down right like the way I want it

If you put it, put it, put it, if you put it, put it down
If you put it, put it, maybe we can fall in love
