

# Brandy, Sittin' Up In My Room

[Verse 1:]

Seems like ever since the first day we met  
There is no one else I think of more than you  
Can't seem to forget,  
can't get you out my head  
Guess the verdict's in, I'm crazy over you  
How can one be down, tell me where to start  
Cause every time you smile, I feel trembles in my heart  
I have but one concern, how can I get with you  
Til my day comes, here's what I'm gonna do

[Chorus:]

Be sittin' up in my room  
Back here thinkin' bout you  
I must confess, I'm a mess for you  
Be sittin' up in my room  
Back here thinkin' bout you  
I'm just a mess with a thang for you

[Verse 2:]

Pray that you'll invest in my happiness  
All it takes is just one simple call from you  
Turn my heart around,  
if I'm making ground  
Pretty baby please, tell me if I'm getting through  
Tell me what is up  
You see I need to know  
Tell me if I'm far or, if I'm getting close  
I have but one concern, and that one concern is you  
Til I'm with you, here's what I'm gonna do

[Chorus]

How can one reach out, tell  
me where to start Cause everytime you smile,  
I feel trembles in my heart  
I have but one concern, how can I get with you  
Til my day comes, here's what I'm gonna  
do

[Chorus: til fade]
