

# Brandy, True

Whooaaa yeah yeaah  
In your arms I feel right at home  
Thats the feeling I aint felt before  
If youre feeling the same way then let me know  
Cuz theres nothing worse than being in love alone  
Chorus

Is it true that Im not the only one?  
Is it true that youre just having fun with my heart?  
I need an answer  
Is it true, is it true?  
Youre my angel that was sent to earth  
In your eyes I see my future  
I cant be without you so its got to work  
Goodbyes not an option so dont say a word  
Chorus

Is it true that Im not the only one  
Is it true that youre just having fun with my heart  
I need an answer  
Is it true, is it true?

Bridge  
Ive never been a victim of love before  
So Im not sure what I should be looking for  
But I know the signs are in my face  
Hope its not to late to change  
Your mind and make you wanna stay

Chorus  
Is it true that Im not the only one  
Is it true that youre just having fun with my heart  
I need an answer  
Is it true, is it true  
Is it true that Im not the only one?  
Is it true that youre just having fun with my heart?  
I need an answer (tell me!)  
Is it true, is it true  
If you just cant tell me the truth  
it wasnt real when you said I love you
