

# Brandy, What Have You Done For Me

(feat. Riff Raff)

[Verse 1:]

You use to call,  
Now you don't,  
Leavin' me all alone, (alone),  
You use to care,  
Now you don't even have time for me, (anymore),  
We use to walk hand in hand,  
You would never let me go, (away),  
And I thought that we could be, (could be),  
But you ain't doin' nothin' for me, (no)

[Chorus:]

What have you done for me, what have you done for me, lately  
What have you done for me, what have you done for me, bay bay  
What have you done for me, what have you done for me, lately  
What have you done for me, what have you done for me, bay bay

[Verse 2:]

You use to say those words,  
That I wanted to hear, (so good),  
You made me feel beautiful,  
I was in love with you, (so much),  
Whether not, I would call just to hear you say, (my name),  
(say my name, say my name),  
Really thought that we could be, (could be),  
But you ain't doin' nothin' for me... (NO)

[Chorus:]

What have you done for me, what have you done for me, lately  
What have you done for me, what have you done for me, bay bay  
What have you done for me, what have you done for me, lately  
What have you done for me, what have you done for me, bay bay

[Rap: Riff Raff]

It used to be I flip my iPhone,  
And get a text message from ya,  
Then I'd drop the top,  
And we'd ride out all summer,  
Takin' trips to Milan,  
Buy Louis Vuitton,  
Then we slide out Vegas,  
We can do it tomorrow,  
And at first it was all gravy,  
But now you done gone shady,  
You esp, NFL rider for Tom Brady,  
And I ain't trippin',  
What you done for me baby,  
But can't replace me,  
Cause I'm doin' this sh\*t crazy

[Chorus:]

What have you done for me, what have you done for me, lately  
What have you done for me, what have you done for me, bay bay  
What have you done for me, what have you done for me, lately  
What have you done for me, what have you done for me, bay bay
