

# Brandy, When You Touch Me

[INTRO]

All I can do is sit and think about  
The way you used to love me  
The way you used to hold me  
And the way you used to touch me  
And all I want is another moment  
I'm waiting and I'm ready  
Touch me

[VERSE 1]

Wish I could hold you  
Just for a little while, let me  
I wish I could see you right now  
But you're so far away  
It's driving me crazy  
I'm missing you baby  
And the way you touch me  
It's unlike anything I've ever felt before  
That's how I know I am yours

[B-SECTION]

Now is the time to  
Relax your mind let  
Go and unwind  
I've waited for too long, I'm ready  
Tonight's the night  
For loving you right  
You know what I wanna do  
I wanna give in to you

[CHORUS]

Really miss you baby  
And ways you touch me  
Can't hardly wait  
'Til you touch me  
How I want you so  
Thoughts of you make me lose control  
Soon as I see you baby  
I'm gonna ask you for sure  
Could you please touch me?

[VERSE 2]

I'm coming to see you  
I'm wearing the dress that you like  
I'll be on the first plane  
I'll call when I get there, I promise  
I haven't been sleeping  
I've been thinking 'bout the way you touch me  
I'm losing all self-control  
Feels like I'm letting go  
And I'm loving every minute

[B-SECTION]

[CHORUS]

I'm still here  
I'm still waiting  
What time are you coming?

[BRIDGE]

Day & night I'm yearning for you to touch me  
I'm thinking of you only, you are my everything  
Said I gotta be your lady  
There is nothing that I wouldn't do for you

[CHORUS]
