Bratmobile, And I Live In A Town Where The Boy

. (yawn) Make me miss amerika rip it when we're 6 yeah lock her in her room now tell me it's my birthdayi don't care. rub her face in glass Dad try to kick some ass Dad tell me who's insane man throw up exrery other dayi don't care. cross my legs and hold it in say you wish you had no ears funny how she don't exist mommy chained her up insteadi don't care fill me with yr lies boy, don't matter wasn't real she don't wanna be my friend but i can't stand her anyways i can't go home again but i'm still a good tax break cut us off at the hearts scabs grow thicker by the yearsi don't care. splitting hairs and doing time slap me till i feel fine who commits the real crime? will you ever be mine?
