Bratmobile, Some Special

Come out and play with me come tell me who you are please tell me who i am please tell me who People on the street today seem very put together I say smiles in their pocket self assurance on their brow Sun up from every angle Sun down i get yer type All yer show is all you get you should let me play Get a life and apple pie just don't ask me i know why Madonna in her her undenwear you should be in too Í'm getting older yer getting younger in this we are miles apart got some special velvet sidewalk "Too bad, it ain't yers".
