

Bratz, All About You

You're best style
Lookin so sharp
Rockin hot smile
You're gonna get far
Belive it when I say oh yea yea
There's no need to be who you're not
All that you need is all that you've got
Just belive in yourself ooh ooh

You should know what you want
What to get by cuz
You should know it's all about you
It's not about the money you make
It's not aabout the little mistakes
It's not about the people you know
You just follow your own
It's not about the clothes that you wear
It's not about the car, I swear
It's the little things you say and you do..
It's all about you

Have fun, you know that you do
Listen to you're heart
It's always so true
We belive in you
Don't stop, reach for the stars
Tell yourself, tell people who you are
We belive in you

You should know what you want
What to get by cuz
You should know it's all about you
It's not about the money you make
It's not aabout the little mistakes
It's not about the people you know
You just follow your own
It's not about the clothes that you wear
It's not about the car, I swear
It's the little things you say and you do..
It's all about you

All about you
These things are spinnin around
We'll pick you up when you're down
You dont have to worry my freind
You should know
It's all about you
It's not about the people you know
It's not about the seats at the show
It's not about the places ou go

You should know what you want
What to get by cuz
You should know it's all about you
It's not about the money you make
It's not aabout the little mistakes
It's not about the people you know
You just follow your own
It's not about the clothes that you wear
It's not about the car, I swear
