

# Bratz, My Attitude

(Chorus)

Can you handle my style?  
Can you handle my attitude?  
Are you ready for me?  
I guarantee, what ya get is what ya see  
And that's the truth  
Can you handle my style?  
Can you handle my attitude?  
'Cause I really wanna shine, everytime  
Take the world by surprise, and I'm ready to

(Verse 1)

I'm the only one that's like me  
You can say I'm original  
Got my own personality  
I'm individual  
What I wear, what I say, what I look like  
Got a fashion all my own  
There's never been anybody like me  
Time to let it show

(Chorus)

Can you handle my style?  
Can you handle my attitude?  
Are you ready for me?  
I guarantee, what ya get is what ya see  
And that's the truth  
Can you handle my style?  
Can you handle my attitude?  
'Cause I really wanna shine, everytime  
Take the world by surprise, and I'm ready to

(Verse 2)

I can be anything that I want to  
Confident in the way I feel  
I'm the one that my dreams belong to  
I'm gonna make them real  
Everyone is one of a kind  
I'm an un-traditional girl  
You can say I'm the one and only  
Me in the world

(Chorus)

Can you handle my style?  
Can you handle my attitude?  
Are you ready for me?  
I guarantee, what ya get is what ya see  
And that's the truth  
Can you handle my style?  
Can you handle my attitude?  
'Cause I really wanna shine, everytime  
Take the world by surprise, and I'm ready to

(Verse 3)

It's who I am, I understand  
I got my style, I got my plan  
You are the only one and the original, that's right  
And I know that I can be just anything that I like  
Who I am, my attitude  
It's my own thing, it's what I do  
I never hold back or hide the way that I feel  
Because I'm keepin' it real

(Chorus)

Can you handle my style?  
Can you handle my attitude?  
Are you ready for me?  
I guarantee, what ya get is what ya see  
And that's the truth  
Can you handle my style?  
Can you handle my attitude?  
'Cause I really wanna shine, everytime  
Take the world by surprise, and I'm ready to
