

Bratz, Ready To Roll

I'm ready in the city and im on the go,
i push it to the limit never lose control,
i'm red hot, kiss ya, never vote what i can do.
Wanna see a little more check this out,
i'm right on the edges, whats its all about now,
anything i wanna do, can i show the groooove.

im ready to roll, nothing can stop me now, i got a beach ball and sand.
i'm ready to roll nothing can slow me down i feel like i can fly.
