

Bratz Rock Angelz, Out From Under

1. Breath you out
Breath you in
You keep coming back to tell me
You're the one who could have
Been
And my eyes see it all so clear
It was long ago and far away but it
Never disappears
I try to put in the past
Hold on to myself and don't look
Back
Ref.: I don't wanna dream about
All the things that never were
Maybe I can live without
When I'm out from under
I don't wanna feel the pain
What good would it do me now
I'll get it all figure out
When I'm out from under

2. So let me go
Just let me fly away
let me feel the space between us
Growing deeper
And much darker every day
Watch me nom and I'll be someone
New
My heart will be unbroken
It will open up for everyone but
You
Even when I cross the line
It's like a lie I've told a thousand times
Ref.: I don't wanna.....
A part of me still be
When you are you're gonna stick
Around
A part of me still believes
We can find a way to work it out
but I know that we tried everything
We could try
So let's just say goodbye
FOREVER
Ref.: I don't wanna.....(x2)
