

Bratz Rock Angelz, So Good

We know how to dare
We know how to dream
Tonight is the night
What we wanna be, we'll be
We're gonna make it through
Let's conquer the fears
Take every chance
Hold back the tears
What we wanna be, we'll be
We're gonna make it through
Out of our heads
Into our hearts
Close to the edge
Ready to start
And it's so good
Dancing on the air
It feels so good
Nothing can compare
Cause the beat in our hearts
Is the beat of the charts
Like a spotlight we're cutting through
It feels so good
Shining here in front of you
Give everything
And don't be afraid
Be true to yourself
If you are to live forever
You're gonna make it through
You're gonna make it through
Out of our heads
Into our hearts
Close to the edge
Ready to start
And it's so good
Dancing on the air
It feels so good
Nothing can compare
Cause the beat in our hearts
Is the beat of the charts
Like a spotlight we're cutting through
It feels so good
Dancing on the air
It feels so good
Nothing can compare
Cause the beat in our hearts
Is the beat of the charts
Like a spotlight we're cutting through
It feels so good
Shining here in front of you
It feels so good
Shining here in front of you
Shining here in front of you
Dancing on the air
It feels so good
Nothing can compare
Cause the beat in our hearts
Is the beat of the charts
Like a spotlight we're cutting through
It feels so good
Dancing on the air
It feels so good
Nothing can compare
Cause the beat in our hearts
Is the beat of the charts

Like a spotlight we're cutting through
It feels so good
Shining here in front of you
