

# Bratz Rock Angelz, So Good

We know how to dare  
We know how to dream  
Tonight is the night  
What we wanna be, we'll be  
We're gonna make it through  
Let's conquer the fears  
Take every chance  
Hold back the tears  
What we wanna be, we'll be  
We're gonna make it through  
Out of our heads  
Into our hearts  
Close to the edge  
Ready to start  
And it's so good  
Dancing on the air  
It feels so good  
Nothing can compare  
Cause the beat in our hearts  
Is the beat of the charts  
Like a spotlight we're cutting through  
It feels so good  
Shining here in front of you  
Give everything  
And don't be afraid  
Be true to yourself  
If you are to live forever  
You're gonna make it through  
You're gonna make it through  
Out of our heads  
Into our hearts  
Close to the edge  
Ready to start  
And it's so good  
Dancing on the air  
It feels so good  
Nothing can compare  
Cause the beat in our hearts  
Is the beat of the charts  
Like a spotlight we're cutting through  
It feels so good  
Dancing on the air  
It feels so good  
Nothing can compare  
Cause the beat in our hearts  
Is the beat of the charts  
Like a spotlight we're cutting through  
It feels so good  
Shining here in front of you  
It feels so good  
Shining here in front of you  
Shining here in front of you  
Dancing on the air  
It feels so good  
Nothing can compare  
Cause the beat in our hearts  
Is the beat of the charts  
Like a spotlight we're cutting through  
It feels so good  
Dancing on the air  
It feels so good  
Nothing can compare  
Cause the beat in our hearts  
Is the beat of the charts

Like a spotlight we're cutting through  
It feels so good  
Shining here in front of you
