

Bratz, Rock The World

A little bit outrageous
I'm really quite outrageous
We're gonna go around the world
Crazy girl
You know we're gonna make it
I'll show you the way right now
Then we'll break out
And do anything we want!!

Oh-oh oh-oh what you waiting for?
Oh-oh oh-oh we're kickin' down the doors
Oh-oh oh-oh gonna rock the world
Oh-oh oh-oh you're gonna get this feeling inside
It's a matter of time
Before the world is alive with Rock Angelz

Gonna be a hero
You made it to the big show
Pretend that you could save the world today
And hey, the way until your bedtime
Every dream is a giant step
To where you wanna go
And do anything you want!!

Oh-oh oh-oh what you waiting for?
Oh-oh oh-oh we're kickin' down the doors
Oh-oh oh-oh gonna rock the world
Oh-oh oh-oh you're gonna get this feeling inside
It's a matter of time
Before the world is alive with Rock Angelz

We're all angelz
Hold your head up high
And reach the sky
In our world
We're all angelz.

Oh-oh oh-oh what you waiting for?
Oh-oh oh-oh we're kickin' down the doors
Oh-oh oh-oh gonna rock the world
Oh-oh oh-oh you're gonna get this feeling inside
It's a matter of time
Before the world is alive with Rock Angelz

Oh-oh oh-oh what you waiting for?
Oh-oh oh-oh we're kickin' down the doors
Oh-oh oh-oh gonna rock the world
Oh-oh oh-oh you're gonna get this feeling inside
It's a matter of time
Before the world is alive with Rock Angelz
