Na na na na na na na na na  
Na na na na na na na na

Made a big mistake  
Ever thinkin that you cared  
When it's obvious you're actin like I'm not even here  
Well I've got news for you  
Better listen up right now  
Gotta give to take no you can't pretend  
Gotta think about  
How you treat you freinds

You think you're so incredible  
Completely unforgettable  
You think the world spins just for you  
You don't have a clue!  
You act like I'm invisible  
As if my life is miiserable  
One thing is undeniably true  
Freindship is all about truth

I can see it now  
I can reach you like a book  
All you care about is what you say  
How it makes you look  
Well this is serious  
Time for you to make a change  
Gotta stop right now yeah I'm tellin' you  
Gotta lose that pose and you're attitude

You think you're so incredible  
Completely unforgettable  
You think the world spins just for you  
You don't have a clue!  
You act like I'm invisible  
As if my life is miiserable  
One thing is undeniably true  
Freindship is all about truth

Not gonna let you down  
I'm gonna turn you round  
You'll seee  
Yeah, this is what real friends do  
I still belive in you and me

You think you're so incredible  
Completely unforgettable  
You think the world spins just for you  
You don't have a clue!  
You act like I'm invisible  
As if my life is miiserable  
One thing is undeniably true  
Freindship is all about truth
