

# Brave Combo, Always Vienna

There was an Old World once upon ago  
Some things always change  
Sometimes our new gods bring us troubled sleep  
Sleep brings happy dreams

Always Vienna  
Cobblestone memories  
Everywhere children  
Never a care  
Always Vienna  
Die liebe Mutter [beloved mother]  
Always Vienna in my dreams  
There are some windows that  
We're born to break  
Opening doors won't do  
Sometimes the price of glass is bitter tears  
Tears wash lovely dreams

Always Vienna  
Lights on the river  
Crystalline waltzes  
Never a care  
Always Vienna  
Nights soft as music  
Always Vienna in my dreams

There is a house of cards  
Where castles stood  
Now we call it home  
Sometimes we have to burn old houses down  
Ashes fuel our dreams

Always Vienna  
Always my Martha  
Always the dancing  
Never a care  
Always Vienna  
Always the magic  
Always Vienna in my dreams
