Translation:

Hey!
Oh, it hurts me
Oh, it hurts me
Oh, it hurts me

When I left my town
My body was shaking
Because I saw that you were crying on the riverbank.

Oh, it hurts me

Oh, it hurts me
Oh, it hurts me

However much you question my absense
Only God knows my fate
Only yesterday my hope
And a heart to love you

Oh, it hurts me
Oh, it hurts me
Oh, it hurts me

Hey!
Hey!

Oh, it hurts me
However much you question my absence
Oh, it hurts me
And if I return to see you, my love
Oh, it hurts me
Only God knows my fate
Oh, it hurts me
Because you are the queen
Oh, it hurts me
The queen of my love
Oh, it hurts me
And if I return
Oh, it hurts me
Baby
Ay, me duele
Only God knows
Oh, it hurts me
Only God knows
Only God knows my fate
Oh, it hurts me
Queen of my love
Oh, it hurts me
Queen of my heart

Oh, it hurts me
Oh, it hurts me
