

# Brave Combo, Double Vision

Feeling down and dirty, feeling kinda mean  
I've been from one to another extreme  
It's time I had a good time  
Aint' got time to wait  
I wanna stick around, till I can't see straight

Chorus:

Fill my eyes with that double vision  
No disguise for that double vision  
Ooh, when you get through to me  
It's always new to me  
My double vision gets the best of me

Never do more than I really need  
My mind is racing but my body's in the lead  
Tonight's the night  
I'm gonna push it to the limit  
I'll live all of my years in a single minute

Chorus
