

Brave Combo, Escapist Polka

I don't think I like it here
Gonna run away
When I get to where I'm going
We'll all have fun and play
You don't know, I don't know
What it could be like
If we go, here we go
Yes my name is mike
Stop and see you will be on a little trike
Riding off to sea to shining sea
Stop and be, you'll agree
This is the...arrgghhhh!

Escape! (yeah)
Escape! (wow)
Escape! (like?)
Escape! (&& dig it)
Escape! (to the movies)
Escape! (to the car)
Forget! (what you're doin')
Forget! (who you are)
My name is mike,
I ride a trike.

Repeat verse
