

# Brave Combo, Escapist Polka

I don't think I like it here  
Gonna run away  
When I get to where I'm going  
We'll all have fun and play  
You don't know, I don't know  
What it could be like  
If we go, here we go  
Yes my name is mike  
Stop and see you will be on a little trike  
Riding off to sea to shining sea  
Stop and be, you'll agree  
This is the...arrgghhhh!

Escape! (yeah)  
Escape! (wow)  
Escape! (like? )  
Escape! (&& dig it)  
Escape! (to the movies)  
Escape! (to the car)  
Forget! (what you're doin')  
Forget! (who you are)  
My name is mike,  
I ride a trike.

Repeat verse
