

Brave Combo, I Get Ideas

When we are dancing and you're dangerously near me
I get ideas, I get ideas
I want to hold you, so much closer than I dare to
I want to scold you, 'cause I care more than I care too
And when you touch me, and there's fire in every finger
I get ideas, I get ideas
And after we have kissed goodnight oh still you linger
I kinda think you get ideas too

Your eyes are always saying, the things you never say
I only hope they're saying, that you could love me too
But that's the whole idea, it's true, lovely idea
That I fall in love with you

Tus ojos siempre dicen, cosas que nunca dices
Espero que me dicen que t me amaras
Pero es toda la idea, verdad, buena idea
Que yo te amare

And when you touch me and there's fire in every finger
I get ideas, I get ideas
And after we hae kissed goodnight oh still you linger
I kinda think you get ideas
Think you get ideas
Think you get ideas, too.
