

# Brave Combo, I Gotta Know

Tell me the truth you've been with another guy  
Tell me the truth you don't have to lie  
I Gotta Know, I Gotta Know

If you've been joining circles behind my back  
If you've been playing house on the side  
Just let me know, so I can go

(Bridge:)

I don't know why you say what you say to me  
I don't know why you do what you do to me  
I don't why you call me and talk to me  
I don't see how you can feel what you feel  
If you can't take me out and about with you  
Leave me alone, I care, but I'm so confused  
I don't know why you bother to come  
When you don't love me anyway  
I Gotta Know, I Gotta Know

Tell me the truth it's alright I want to hear  
Tell me the truth there's no need to fear  
Just let me know, I Gotta Know

If you won't be adult enough to admit  
That we are all through and we should quit  
Just let me know, I Gotta Know
