

# Brave Combo, It's Christmas

There is a sound in the air  
Colored light is everywhere  
All the stores- open late  
Hurry up! I just can't wait

(Chorus)  
It's Christmas, Christmas  
Have a merry Christmas  
Then please have a  
Happy New Year

There's a shelf for your cares  
Wrap 'em up- store 'em there  
Take a break from the heat  
Open up to the beat

Chorus twice

Couples sway on the floor  
Cha Cha Cha Let's dance some more  
It's Christmastime- know what I mean?  
Look at life through red and green

Chorus six times
